前言／歡迎詞 Preface

2017 國際天使與創業投資峰會

企業成長，投資先行；資金鏈結，瞄準未來！

新創企業為經濟成長的活水，但在發展初期往往面臨資金及多種資源缺口，而具有「智慧資金」(Smart Money)特性的天使投資者與早期創投不僅能彌補財務缺口，並能提供營運經驗、關係人脈與各種協助，協助新創企業成長。OECD 更在 2011 年呼籲會員國著手促進天使投資或早期投資的發展措施。

為了能促進天使與早期投資的風氣，活絡國內創業生態系統的資金環境，經濟部中小企業處及亞洲・矽谷計畫執行中心委託台灣經濟研究院於 **2017 年 9 月 6 至 7 日**在台北文創 6F 多功能廳舉辦「**2017 國際天使與創業投資峰會**」，主題為「**企業成長，投資先行；資金鏈結，瞄準未來！**」，藉由邀請國內外知名的早期投資人參與，分享早期智慧資金的運作實務、投資經驗與對投資前景的前瞻洞見，帶動國內早期投資的風氣與提升投資績效。

活動內容涵蓋「專題演講」、「觀點交鋒」、「新創企業展示會」、「閃約」等活動類型；共邀請 7 個不同國家（美、德、日、韓、港、星、台）投資人參與，透過演講、對談、會談等多元模式，讓新創企業接觸到國內外更多早期投資人，掌握投資人的想法與洞見。

Global Angel & Venture Investment Summit

Corporate Growth Motivates Priority Investment:

Bridge the Capital, Target the Future!

In order to encourage angel investment or venture capital for early stage investment and stimulate funding environment of domestic entrepreneurship ecosystem, Global Angel & Venture Investment Summit will be held on September 6-7, 2017 at 6F of Taipei New Horizon Building. The event is sponsored by Small and Medium Enterprise Administration of the Ministry of Economic Affairs (MOEA) and Asia Silicon Valley Development Agency (ASVDA), and is organized by the Taiwan Institute of Economic Research (TIER). The topic of the Summit this year is "Corporate Growth Motivates Priority Investment: Bridge the Capital, Target the Future!" By inviting famous early stage investors, sharing practices of Smart Money, investment experiences and insightful opinions for future investment, the purpose of this summit is to motivate the early stage investment and increase investment performance.

With a view to crossing the gap of early stage investment and turning the new world around, the summits meanwhile provides the stage for entrepreneurs and investors together so as to increase exposures and facilitate interactions.

簡單來說，Commuter 是「網路版的單車 IKEA」，我們做的是「單車新零售 + 生活品牌」。

Commuter 把單車模組化、構造極簡化，讓一般人都能輕鬆線上客製自己理想的都市單車，然後將零組件直接宅配到家，讓顧客像 IKEA 傢俱一樣自助組裝。售後，顧客能自行線上訂購零組件，像樂高一樣自助拆裝、客製、升級、維修自己的單車。

在此之上，Commuter 是一個 Brand base on Life Style，我們以一套完整的單車生活美學做為品牌核心。

Commuter 的目標，是用美學和科技，重新設計都市單車生活，並以歐洲為目標市場。

In short, Commuter is the "Online IKEA of Bike." What we are making is essentially "Bike New Retail + Life Style Brand."

Commuter modularize and simplify bike into 10~15 standard components, enabling consumers to customize their ideal bikes online easily. After customization, the components will be shipped directly to home, and let the consumers self-assemble their bike like an IKEA furniture. Afterwards, consumers can access aftersales service by ordering components online to repair, replace, upgrade their own bike.
